Chrome Molly Steele - Richard 'Daddy' Love 4/24/2021

E
Shade tree mechanic and a waitress meet

Over a cup of coffee and a bite to eat

A
Mister and Misses Steele they become in May

E
Not long before a little girl is on the way

B
Born in the backseat of an automobile

E
Her daddy had to name her Chrome Molly Steele

Molly took to racing at the age of five

Bicycles and roller skates 'til she could drive

All the neighbor boys she'd leave in the dust

All their dreams of victory she loved to bust

She's the fastest girl to ever turn a wheel

No one could ever catch her Chrome Molly Steele

[CHORUS] A E
Chrome Molly Steele, Chrome Molly Steele, She's the fastest woman in our town

Chrome Molly Steele, Chrome Molly Steele, Race her and she'll shoot you down

Chrome Molly Steele, Chrome Molly Steele, The apple of her daddy's eye

B A E
All the other guys just want to win the race, I just want to be her guy

[CHORUS]

Long hair flowing red like flames from the pipes

Hanging from the mirror a pair of fuzzy dice

She's just about to shame another hot rod punk

She's got all that good stuff in her trunk

Warrior princess babe in an automobile

That redhead passed the red line Chrome Molly Steele

[CHORUS]
All the other guys just want to win the race, I just want to be her guy
