Guitar For Sale Richard "Daddy" Love 6/14/2012

E A
I've played guitar since age thirteen, I've played it sweet and I've made it scream
E B
Reaching for a crazy dream, that's so ---- hard to land
E A
I played a bunch of covers and I wrote my own, spent a lot of nights away from home
E B
I was in and out, ---- of every kind of band
A E A B
I have rocked and I have rolled, now I'm just too damn old, ------- Guitar for sale - CHORUS
A E A B
I played the blues, until they all came true, ------- Guitar for sale
A E A B
When I was a kid, that's all I did, ------- Guitar for sale

E A
Never had the focus to finish school, My office chair was an old barstool
E B
I was always thinking ---- about my next song,
E A
Never made much money that didn't go for gas, I was going nowhere, but not too fast
E B
The women I attracted ----- didn't stay too long

CHORUS
E A
This damn guitar cast a spell on me, took all these years before I could see
E B
It's had me in a trance, in it's evil curse
E A
One thing that I know for sure, For my affliction there is no cure
E B
This guitar tempts me, "come on one more verse"

CHORUS
