

A Woman Like You - Richard 'Daddy' Love 10/02/2015

**A woman like you gets my heart a thumpin'
A woman like you is like the icing on the cake
I see your eyes and I just want to jump in
A woman like you puts the sizzle in my steak**

**A woman like you is better than barbecue
A man could search his whole life and never ever ever ever find
... A woman like you**

**A woman like you fills my day with sunshine
A woman like you makes everything all right
I look at you and girl you're looking so fine
A woman like you puts passion in the night**

**A woman like you is better than barbecue
A man could search his whole life and never ever ever ever find
... A woman like you**

**A woman like you puts a whistle in my walking
A woman like you makes a dance of every step I take
Girl you got me a reeling and a rocking
A woman like you gives me quivers when you shake**

**A woman like you is better than barbecue
A man could search his whole life and never ever ever ever find
... A woman like you**

**[Alt] I could traverse this whole damn universe and never ever find
...A woman like you**
