

Midnight Munchie Run (Can of Spam) Richard 'Daddy' Love 7/31/2016

**I'm just a can of Spam, that is what I am
I'll hang out on the shelf 'til there's nothing left to eat
I'm just a can of Spam**

**I am a box of raisins, I can be amazing
It's late at night and you got to have a snack. I'm right here...
I'm a box of raisins**

**I am a ripe banana, eat me now can ya?
I'll turn all black & brown if I hang around
I am a ripe banana**

**I'm a sweet potato, you can call me yam
I'm a sweet potato wish I was a red tomato. But at least...
I'm not a can of spam**

**I'm jar of dill pickles, I got no good rhyme for pickles
I got too much salt but it's not my fault
I'm jar of dill pickles**

**I'm a plate of cold chicken, if I'm not what you're pickin'
Then turn out the light, it's too late at night
I'm a plate of cold chicken**

**I'm just a can of Spam, that is what I am
I'll hang out on the shelf 'til there's nothing left to eat
I'm just a can of Spam (repeat)**
