

Purple Butterfly (Zoey's Song) Richard "Daddy" Love 2/15/2012

**Little Zoey went outside to play, On a warm and sunny day
By a tree in her front yard, Butterfly big as a car**

**Mister Purple Butterfly, Won't you take me for a ride
Way up in the sky, Mister Purple Butteryfly**

**He said "I'll take on a little flight, Climb on girl and hold on tight"
He flapped his giant purple wing, little Zoey started to sing**

**Mister Purple Butterfly, Won't you take me for a ride
Way up in the sky, Mister Purple Butteryfly**

**They flew over houses and trees, And floated on a gentle breeze
They flew around the water tower, He said "I'm looking for a great big flower!"**

**Mister Purple Butterfly, Won't you take me for a ride
Way up in the sky, Mister Purple Butteryfly
Mister Purple Butterfly, Won't you take me for a ride
Way up in the sky, Mister Purple Butteryfly**
