

Christmas Down at Rehab Richard 'Daddy' Love 12/2/23

C F
We're so glad you got your life together, we talk about you a lot

C G
There's pancakes in the toaster, hot coffee in the pot

C F
Counselor sees we're all smiling, It must come as a relief

C G
The knives and forks are plastic, In case someone has a beef

F C C/B# Am
We're the same old bunch of folks, without whiskey, rum or beer

F G C
It's Christmas down at rehab and we're missin' you this year

C F
Mary was into chardonay, Joseph drank whiskey straight

C G
Rebecca said flavored vodka, made her a real fun date

C F
John always drank the finest Scotch from a crystal highball glass

C G
Me I just drank tequila shots 'til they knocked me on my ass

F C C/B# Am
We are all so proud of you, you took those twelve steps out of here

F G C
It's Christmas down at rehab and we're missin' you this year

C F
The pancake breakfast is over, the coffee's all gone cold

C G
I'm doing my best to be good, 'cause this place is getting old

C F
You can count on this for sure, soon I will follow your lead

C G
I know I can control my drinking, with the help of medical weed

F C C/B# Am
Guess I'll say goodbye for now, group session time draws near

F G C
It's Christmas down at rehab and we're missin' you this year
