

G C
Cancer touches all of our lives
G C
Mother and Father, Daughter and Son
G C
Brothers and Sisters, Husbands and wives
D
Cancer impacts everyone

G C
Especially the children whose hearts are so pure
G C
Growing up without their mother or dad
G C
Or grampa or granny or auntie or uncle
D
Those little faces can make me so sad

C D G C (- Chorus -)
So let's all stand against cancer, Let's slam cancer against the wall
G D C G
Let's beat the heck out of cancer, Until it's gone for once and for all

G C
Maybe you lost a friend or lover
G C
Or the woman who brought you into this life
G C
Someone you admired or someone you loved
D
It's for them that we all must fight

Chorus

G C
So you may wonder "What can I do
G C
To fight something so vast and strong?"
G C
You can give all you can to help find the cure
D
Get your friends to all come along

Chorus - twice
