**Four o'clock in the morning and all I see is black**

**G**

**D**

**Coffee starting at me, and me I'm staring back**

**G**

**C**

**Last night I was rockin', wore my fingers to the bone**

**G**

**D**

**Played my heart out half the night, packed up and left alone**

**C**

**D**

**There's a waitress at the diner most beautiful thing I've ever seen**

**C**

**D**

**Her hair is blonde and curly, her eyes are hazel green**

**C**

**D**

**She moves just like a dancer, she glides across the floor**

**C**

**D**

**Brings a pot of coffee and asks, "would you like to have one more?"**

**G**

**C**

**"One more waitress or one more coffee?", I ask her with a grin**

**G**

**D**

**She says "my shift ends at 6, just be coffee until then"**

**G**

**C**

**Her voice sounds just like music a most beautiful melody**

**G**

**D**

**She came here in a taxi, but she's going home with me**

**CHORUS**

**G** **C**  
Five fifty five my heart is pounding like a big bass drum  
**G** **D**  
She's the hottest girl I've ever seen, I think I'm gonna get me some  
**G** **C**  
Six AM on the dot, She's got a big smile on her face  
**G** **D**  
"I'm so ready for you babe, come on let's blow this place"

**CHORUS**

**G** **C**  
"I got my pickup right outside, Is it gonna be your place or mine?"  
**G** **D**  
She laughs so sweet like a songbird singing everytime I use that line.  
**G** **C**  
She whispers "I love you" and softly says my name  
**G** **D**  
"You're the love of my life, and our address is the same"
