

A D
You and I have had trouble, We knew it long before now
A E
You want me to change the man I am, Baby, I just don't know how
A D
I know when you leave this time, You won't come back no more
A E
Please bring me another Corona, Before you walk out my door

A D
You and I we just didn't work out, Passion only lasts so long
A E
We always had to work so hard, Should'a known something's wrong
A D
If you'll do this one thing for me, I won't ask for anything more
A E
Please bring me another Corona, Before you walk out my door

D A
Another Corona would really hit the spot right now (- chorus -)
D A
Another Corona and I'll make it through somehow
D A
Another Corona that golden brew from Mexico
E A
Please bring me another Corona, from the fridge before you go

A D
Outside the night is falling, You tell me that you're short on time
A E
I know you want to get on with your life, Well Honey, I want to get on with mine
A D
I know I'll never see you again, After you leave this time
A E
Please bring me another Corona, And I won't ask you for a lime
- Chorus -
- Repeat Chorus -
E A
Please bring me another Corona, from the fridge before you go
